THANKSGIVING EDITION 2026

Spend less time at the stove and more time where the magic happens: candlelight in the windows, a roasted turkey beside Salad Olivier and Shuba, and laughter around the table.

Two traditions, one table, and always room for one more chair.

WELCOME

THE MAGIC OF GATHERING TOGETHER

This year, let us cook the feast for you: a whole stuffed turkey or a duck baked with apples and dried fruits, festive salads and appetizers, and a slice of pumpkin zapekanka to finish.

Every dish is made in our kitchen with the same care you'd put into your own.

WELLNESS GUIDE · Good food, good for you

Our holiday menu is rich in lean protein from turkey, duck and chicken, omega-3s from salmon, and fiber and vitamins from beets, carrots and cabbage. Fill half your plate with salads and vegetables, and enjoy every bite.
